ENVISIONING OUR SHARED FUTURE

SLO County Diversity, Technology and Organizational Development: A Think Tank

DIVERSITY SYNERGY

Transformational Areas

- County level
- City level
- Institutional level
- Social Interactions in the community at large:

- Preschool
- Elementary
- Junior High
- High school
- Community College
- University

It is time to do what is right for all people, diversity creates a stronger County.

- Technology Vision For San Luis Obispo County

- Higher Education Role
- Governmental Role
- Communities Role

- Institutional Role
- Growing a Knowledge Economy

It is up to all of us to change our county for the betterment of all people...

- If not us, then who ?
- If not now, When ?

- ◇ To move our County to the next step in its evolution to create a more Diverse Community.
- ◇ To take advantage of the opportunities our community has by having Cal poly in our mist.
- ◇ Create Regional Trust and a Vision.
- ◇ Build a platform for a integrated High Tech Community Development Plan.
