THE FUTURE IS NOW!

THE FUTURE IS NOW

Our Why

To transform the world by transforming
our selves and serving our communities.

- ◆ Learn to Master Civil engagement: by getting evolved.
- ◆ Learn to take Direct and Political Action :
- ◆ learn to master non-violence protest
- ◆ how to become a master policy change agent,
- ◆ Become a justice warrior and a world class community organizer.
- ◆ This is your world, stand for what is right and just;
- ◆ Run for political office; have a seat on a board or Commission;
- ◆ Be civically engaged; be a leader. United we can transform the culture of violence, end pollution, and usher in peace ever lasting.

If not you, then who? If not now, then when?
